

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK**

AMERICAN HONDA FINANCE
CORPORATION and HVT, INC.,

Plaintiffs,

v.

THE CITY OF NEW YORK,

Defendants.

(Electronically Filed)

Civil Case No.:

COMPLAINT

Plaintiffs, American Honda Finance Corporation (“AHFC”) and HVT, Inc. (“HVT,” and with AHFC, the “Plaintiffs”), as and for its Complaint against Defendant, The City of New York (“CNY”), alleges:

NATURE OF ACTION

1. CNY has a derelict vehicle removal policy and program. Under this policy, CNY representatives unilaterally decide if a vehicle located within New York City fits the CNY's definition of a “derelict” vehicle. If that CNY representative decides that a vehicle falls under the “derelict” definition, CNY seizes the vehicle and directs a private towing company to remove the vehicle **and destroy it** by dismantling it for its scrap value.

2. Under CNY's policy and program, no notice of the seizure or the summary destruction of such a vehicle is provided to the vehicle owners or to lienholders who have perfected liens on the vehicles that CNY seizes and destroys as derelict.

3. Under CNY's policy and program, at no time is a vehicle owner or lienholder afforded any opportunity to contest CNY's seizure or destruction of such a vehicle, nor is the owner or lienholder afforded any compensation for its loss of such a vehicle, nor is there any

warrant or valid exception to the warrant requirement associated with the summary destruction of such a vehicle. CNY simply destroys the owner or lienholder's property rights.

4. CNY seized and destroyed each of the 10 vehicles listed on the attached **Exhibit A** (the "Vehicles"), based on CNY's unilateral determination that these Vehicles were "derelict." CNY did not provide any due process to the Plaintiffs, who either owned or held a valid first priority lien in each of the Vehicles (as indicated on Exhibit A). Instead, CNY summarily disposed of each of these 10 Vehicles by directing a private tow company to destroy the Vehicles for scrap.

5. CNY never afforded Plaintiffs any opportunity to protect their interests in the Vehicles. CNY did not have any warrant, court order, or valid exception to the warrant requirement associated with summarily towing and destroying the Vehicles merely because CNY unilaterally decided they were "derelict." CNY did not provide any compensation to Plaintiffs for the destruction of Plaintiffs' property interests. Each of these failures violated Plaintiffs' rights under the Fourth, Fifth, and Fourteenth Amendments to the U.S. Constitution, respectively.

JURISDICTION AND VENUE

6. This is a civil rights action pursuant to 42 U.S.C. §§ 1983 and 1988 for deprivation of Plaintiffs' rights secured by the Fourth, Fifth and the Fourteenth Amendments to the United States Constitution, and accordingly jurisdiction is conferred on this Court by 28 U.S.C. §§ 1343(a)(3) and 1343(a)(4), as well as 28 U.S.C. § 1331.

7. Venue lies in the Court pursuant to 28 U.S.C. § 1391(b)(1), because the Defendant resides in this district, and 28 U.S.C. § 1391(b)(2) because a substantial part of the events or omissions giving rise to the claims occurred in this district.

PARTIES

8. Plaintiff AHFC is a corporation incorporated in the State of California, in the business of taking assignments of retail installment contracts and holding the associated lien interests in vehicles, including being the duly perfected lienholder in those Vehicles listed on Exhibit A as having an AHFC lien, to wit:

- a. A 2016 Honda Pilot bearing VIN 5FNYP6H51GB105534 (the “Cruz Vehicle”);
- b. A 2018 Honda Civic bearing VIN SHHFK7H59JU413551 (the “Griffin Vehicle”);

9. Plaintiff HVT is a corporation incorporated in the State of Delaware, and is a trustee of Honda Lease Trust, a Delaware Business Trust. HVT is in the business of, *inter alia*, taking assignments of lease contracts to motor vehicles and holding title to those vehicles during the period of the lease, including being the titled owner of those Vehicles listed on Exhibit A¹ as being owned by HVT, to wit:

- a. A 2020 Honda CR-V bearing VIN 2HKRW2H51LH659777 (the “Beatty Vehicle”);

- f. Collectively, the Beatty Vehicle, Jones Vehicle, Rodriguez Vehicle, and Salgado Vehicle shall be referred to as the “HVT Vehicles.”

10. Defendant CNY is a municipality organized and existing under the laws of the State of New York.

FACTS

AHFC’s interests in the AHFC Vehicles.

11. AHFC holds a duly perfected security interest in the AHFC Vehicles.

12. Before the date CNY seized each of the AHFC Vehicles, and before any other facts relevant to this action, the non-parties listed in the “Customer” column of Exhibit A for each of the AHFC Vehicles (the “AHFC Customers”) entered into retail installment contracts to finance the purchase of the AHFC Vehicles, which contracts were thereafter assigned to AHFC. By virtue of those transactions, AHFC obtained and perfected a security interest in each of the AHFC Vehicles. AHFC perfected those liens by having them recorded on the title to the AHFC Vehicles before CNY seized any given AHFC Vehicle.

13. By virtue of CNY’s seizure of the AHFC Vehicles, each AHFC Customer defaulted on the non-monetary terms of their respective retail installment contract with AHFC, which thereafter entitled AHFC to immediate possession of each AHFC Vehicle.

14. On or before the date listed in the “Monetary Default Date” column on Exhibit A, each of the AHFC Customers defaulted on the payment obligations under their respective retail installment contracts, thereafter entitling AHFC to immediate possession of each of the AHFC Vehicles.

HVT’s interests in the HVT Vehicles.

15. HVT is the titled owner of the HVT Vehicles, with the exception of the Philbert Vehicle, which is titled in the name of HLT, for which HVT is a trustee and AHFC is the administrator of the lease.

16. Before the date CNY seized each of the HVT Vehicles, and before any other facts relevant to this action, the non-parties listed in the “Customer” column of Exhibit A for each of the HVT Vehicles (the “HVT Customers”) entered into a lease agreement with a non-party dealership, who leased the HVT Vehicles to the HVT Customers, which leases were then assigned to HVT. As a result of these transactions, HVT became and has remained the owner of the HVT Vehicles at all relevant times.

17. By virtue of CNY’s seizure of the HVT Vehicles, the HVT Customers defaulted on the non-monetary default terms of their respective lease agreements, thereafter entitling HVT to immediate possession of the HVT Vehicles.

18. On or before the date listed in the “Monetary Default Date” column on Exhibit A, each of the HVT Customers defaulted on the payment obligations under their respective lease agreements, thereafter entitling HVT to immediate possession of each of the HVT Vehicles.

CNY seized the Vehicles and immediately destroyed them.

19. On or about the dates listed in the “Date Seized” column of Exhibit A, CNY took custody of each of the Vehicles and instructed a private towing company to tow the Vehicles from the roadway and summarily destroy them by dismantling them for scrap.

20. Attached as **Exhibit B** are copies of the 8 of the CNY notices confirming the details of the seizures of each of the Vehicles; Plaintiffs have not yet obtained copies of the 2 notices relating to the Griffin Vehicle and Philbert Vehicle.

21. Plaintiffs had no involvement with, or knowledge of, the operation or location of the Vehicles at the time they were seized by CNY and/or taken into custody by CNY’s towing contractor(s).

22. CNY did not notify Plaintiffs regarding its seizure of the Vehicles *before* actually towing and destroying such Vehicles.

23. Plaintiffs discovered by their own investigation that CNY had seized and destroyed the Vehicles during their own efforts to locate and repossess the Vehicles.

24. Further investigation revealed that CNY had directed that all of the Vehicles be destroyed for scrap.

25. Each of the Vehicles was, in fact, destroyed for scrap pursuant to CNY’s derelict vehicle policy.

26. CNY did not hold any hearing relating to its seizure of the Vehicles, either before or after seizing them. CNY did not hold any hearing relating to its instruction to its towing contractor to destroy the Vehicles, either before or after instructing the towing contractor to destroy the Vehicles.

27. CNY did not have a warrant or other court order relating to its seizure of the Vehicles, nor relating to its instruction to its towing contractor to destroy the Vehicles.

28. CNY did not compensate either of the Plaintiffs for the loss of Plaintiffs' property rights in the Vehicles for the government purpose of clearing the roadway.

CNY's regular policies, customs and/or practices for "derelict" vehicles.

29. CNY's conduct in relation to the Vehicles comported with CNY's regular policies, customs and/or practices for the handling of Vehicles under CNY's derelict vehicle policy and program.

30. CNY carries out its derelict vehicle removal program through its own officials.

31. CNY delegates a portion of the performance of its derelict vehicle removal policy functions to private towing companies. Specifically, CNY utilizes private towing companies to tow away, store and destroy vehicles seized by CNY as derelict vehicles.

32. Regardless of the reason for CNY's initial seizure of a given vehicle, CNY does not return those vehicles to a person with a preexisting property interest when the justification for CNY's seizure has passed. Instead, CNY places seized vehicles in the possession of its towing contractors for the purpose of destruction by scrapping those vehicles.

33. The towing contractor accepts the seized vehicles from CNY as either partial or total payment for the towing and destruction services the towing contractor provides to CNY, and CNY benefits from authorizing the private tow contractor to destroy the vehicles for scrap value as the scrap value—which the towing contractor retains—is the *quid pro quo* compensation that induces the towing contractor to participate in CNY's derelict vehicle removal policy.

34. It is CNY's regular policy and custom, in the course of the above-described conduct, to not obtain a warrant for any of the actions it takes in connection with its derelict vehicle policy.

35. Even if the initial seizure of the vehicles removed from the road pursuant to the derelict vehicle policy were made under a valid exception to the Fourth Amendment's warrant requirement, a (possibly) valid initial warrantless seizure does not justify any action CNY decides to take thereafter. Rather, CNY is required to obtain a warrant, or new justification for a warrantless seizure, once the reason for the (possibly valid) initial warrantless seizure has dissipated. Alternatively, the subsequent action of destroying the vehicles for scrap render the initial seizures unreasonable in their manner of execution, even if done with an initially valid exception to the warrant requirement.

36. It is also CNY's regular policy and custom, in the course of the above-described conduct, to not provide any form of constitutionally adequate notice, nor any hearing whatsoever, in relation to any of its derelict vehicle removal activity.

37. Any *notification(s)* transmitted by CNY relating to the derelict vehicle removal policy does not satisfy the constitutional due process requirement of *notice*, because these communications are merely notifications of CNY's unilateral conduct, and not notice of an opportunity to be heard (which does not occur).

38. CNY does not compensate persons with pre-existing property interests for its use and destruction of such seized vehicles, *i.e.* CNY's use of seized vehicles to compensate its towing contractor by permitting the towing contractor to destroy the vehicles for scrap and retain the proceeds.

39. These actions, all taken in accordance with CNY's regular policies and customs for seizing and disposing of "derelict" motor vehicles, violate the Fourth, Fifth and Fourteenth Amendments to the United States Constitution.

40. CNY knew or should have known that its actions violated the Fourth, Fifth and Fourteenth Amendments to the United States Constitution.

COUNT I
Violation of Civil Rights Pursuant to title 42 U.S.C. § 1983
(Deprivation of Property by Unreasonable Seizure)

41. Plaintiffs reallege and incorporate herein by reference the allegations set forth in the prior paragraphs.

42. Plaintiffs are the holders of protected property interests in the Vehicles.

43. CNY meaningfully interfered with Plaintiffs' protected interest in the Vehicles by towing and destroying them for scrap and altering the Vehicles' title by removing Plaintiffs' interests.

44. By these actions, CNY acted under color of law to seize the Vehicles within the meaning of the Fourth Amendment to the United States Constitution.

45. CNY's seizure of the Vehicles was unaccompanied by a warrant.

46. CNY's seizure of the Vehicles was unaccompanied by any legitimate exception to the warrant requirement. Alternatively, to the extent the initial seizure was accompanied by any arguably legitimate exception to the warrant requirement, it was carried out in an unreasonable manner of execution insofar as the summary destruction of the Vehicles for scrap exceeded the scope necessary to complete any legitimate task associated with the purported warrant exception for which the Vehicles were initially seized.

47. CNY's seizures of the Vehicles were unreasonable in violation of the Fourth Amendment to the United States Constitution.

48. CNY's unreasonable seizures of the Vehicles were accomplished in accordance with CNY's standard policy and/or custom for the handling and disposal of "derelict" vehicles.

49. As a direct and proximate result of CNY's violation of Plaintiffs' Constitutional right to be free from unreasonable seizures, Plaintiffs have suffered damages based upon the lost value of the Vehicles, loss of use of the Vehicles, the lost revenue stream from their contracts relating to the Vehicles, and other damages.

50. Plaintiffs are, therefore, entitled to relief under 42 U.S.C. § 1983.

WHEREFORE, Plaintiffs pray for (i) judgment against CNY for actual damages, consequential damages, statutory damages, fees and costs of suit, including reasonable attorneys' fees pursuant to 42 U.S.C. § 1988; and (ii) a declaration pursuant to 28 U.S.C. § 2201-2202 that, to the extent CNY's actions comport with their ordinary policies that they intend to continue, those policies violate the constitutional rights of persons subjected to those policies; (iii) a permanent injunction against such conduct; and (iv) such other and further relief as the Court deems just and proper.

COUNT II

Violation of Civil Rights Pursuant to title 42 U.S.C. § 1983 (Deprivation of Property Without Due Process of Law)

51. Plaintiffs reallege and incorporate herein by reference the allegations set forth in the prior paragraphs.

52. Plaintiffs are holders of protected property interests in the Vehicles.

53. CNY's actions resulted in the deprivation of Plaintiffs' protected property interests in the Vehicles.

54. CNY does not have any mechanism for, nor did it secure, review of any of CNY's actions in relation to the Vehicles before a judge or other neutral decisionmaker.

55. CNY did not provide Plaintiffs an opportunity to be heard in relation to any of CNY's actions in relation to the Vehicles in any venue at any time.

56. Because CNY did not provide any mechanism for, nor secure, review of any of CNY's actions in relation to the Vehicles by a judge or other neutral decisionmaker, it also did not provide Plaintiffs with constitutionally adequate notice of that non-existent hearing procedure.

57. The manner in which Plaintiffs became aware of CNY's seizure and summary destruction of the Vehicles did not constitute adequate notice for the purposes of due process.

58. CNY's deprivations of Plaintiffs' rights in the Vehicles were therefore accomplished without due process of law in violation of the Fourteenth Amendment to the United States Constitution.

59. CNY's deprivations of Plaintiffs' rights in the Vehicles were accomplished in accordance with CNY's standard policy and/or custom for the handling and disposal of seized "derelict" vehicles.

60. As a direct and proximate result of CNY's violation of Plaintiffs' Constitutional right to be free from deprivations without due process of law, Plaintiffs have suffered damages based upon the lost value of the Vehicles, loss of use of the Vehicles, the lost revenue stream from their contracts relating to the Vehicles, and other damages.

61. Plaintiffs are, therefore, entitled to relief under 42 U.S.C. § 1983.

WHEREFORE, Plaintiffs pray for (i) judgment against CNY for actual damages, consequential damages, statutory damages, fees and costs of suit, including reasonable attorneys'

fees pursuant to 42 U.S.C. § 1988; and (ii) a declaration pursuant to 28 U.S.C. § 2201-2202 that, to the extent CNY's actions comport with their ordinary policies that they intend to continue, those policies violate the constitutional rights of persons subjected to those policies; (iii) a permanent injunction against such conduct; and (iv) such other and further relief as the Court deems just and proper.

COUNT III
Violation of Civil Rights Pursuant to title 42 U.S.C. § 1983
(Taking of Property Without Just Compensation)

62. Plaintiffs reallege and incorporate herein by reference the allegations set forth in the prior paragraphs.

63. Plaintiffs are the holders of protected property interests in the Vehicles.

64. CNY compensated its towing contractor(s), in whole or in part, by turning over possession of the Vehicles to the towing contractor(s), and the towing contractor(s) accepted the Vehicles as compensation, in whole or in part, for the services it provided to CNY, namely the towing and destruction for scrap of the Vehicles that CNY had seized.

65. CNY destroyed Plaintiffs interests in the Vehicles by turning over the Vehicles to the towing contractor(s) with instructions to destroy the Vehicles for scrap, and to retain the proceeds therefrom.

66. CNY thereby took Plaintiffs interests in the Vehicles for a public use.

67. CNY did not compensate Plaintiffs for the taking of Plaintiffs' interests in the Vehicles.

68. CNY therefore took Plaintiffs' property for public use without just compensation in violation of the takings clause of the Fifth Amendment to the United States Constitution.

69. CNY's taking of Plaintiffs' rights in the Vehicles was accomplished in accordance with CNY's standard policy and/or custom for the handling and disposal of seized "derelict" vehicles.

70. As a direct and proximate result of CNY's violation of Plaintiffs' Constitutional right to be free from takings without just compensation, Plaintiffs have suffered damages based upon the lost value of the Vehicles, loss of use of the Vehicles, the lost revenue stream from their contracts relating to the Vehicles, and other damages.

71. Plaintiffs are, therefore, entitled to relief under 42 U.S.C. § 1983.

WHEREFORE, Plaintiffs pray for (i) judgment against CNY for actual damages, consequential damages, statutory damages, fees and costs of suit, including reasonable attorneys' fees pursuant to 42 U.S.C. § 1988; and (ii) a declaration pursuant to 28 U.S.C. § 2201-2202 that, to the extent CNY's actions comport with their ordinary policies that they intend to continue, those policies violate the constitutional rights of persons subjected to those policies; (iii) a permanent injunction against such conduct; and (iv) such other and further relief as the Court deems just and proper.

COUNT IV
Violation of the New York Constitution

72. Plaintiffs reallege and incorporate herein by reference the allegations set forth in the prior paragraphs.

73. CNY's actions also violate the corresponding protection of the New York State Constitution as set forth above.

WHEREFORE, Plaintiffs pray for judgment against CNY for actual damages, consequential damages, statutory damages, fees and costs of suit, including reasonable attorney's

fees pursuant to 42 U.S.C. 1988, and such other and further relief as the Court deems just and proper.
